

More Community {loadposition user9}

Community means a place where you can belong—a place where you can enjoy life, feel at home and where your children can grow up safe and strong.

In Tidworth Area we almost take safety for granted. We enjoy the lowest crime rate in Wiltshire—which is itself the one of the safest counties in the country. We could count our crimes using our fingers, if we wanted to—and forget computers!

And with safety guaranteed, so much else can thrive. In Tidworth, Ludgershall and the villages, you will find fetes, country fairs and scout groups.

And when it comes to making a splash we can do that too. The Tidworth Festival hosts everything from air displays to Status Quo!
